Federal Fire Council
Washington 25, D. C.

AUG 11 1958

Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

An examination of the membership list indicates that your organization has no representation on the Federal Fire Council. Since the success of the Council in carrying out its responsibilities requires participation by all branches of the Federal Government concerned with fire prevention or fire protection, I would like to invite you to designate one or more representatives of your organization to work with us.

For your information, I am enclosing a copy of Executive Order No. 7379 and Executive Order No. 10257 setting up the Federal Fire Council, together with a copy of the revised Articles of Organization.

Sincerely yours,

F. Moran McConihe
Chairman
Federal Fire Council
